SAFE DRIVING?
Saturday night at the Los Angeles Speedway on South Vermont Ave. in Torrance was the scene of another NASCAR sanctioned Destruction Derby. Chief Track Steward Tommy Castile, who does a tremendous job of organizing and directing the drivers, put on a good show for the large crowd of racing fans. Forty-four cars entered by the various wrecking yards in the area were almost all towed from the track after six events in which there were four preliminaries, one woman drivers heat, a consolation run, and the finals which involved the winners of the first four heats.
